NEXT REGULAR MEETING OF PSPCS

DES MOINES MASONIC TEMPLE 2208 S. 223

THURSDAY, JUNE 20, 1991 7:30 TILL 10:00 PM

last meeting before fall. Our speaker will be club member Jim Pruske an avid nature photographer who will present one of his slide shows featuring wild birds of the Northwest. Also, remember the raffle.

NO MEETINGS IN JULY AND AUGUST:

Thats right! You are on your own ~~for~~ two months. No meeting of PSPCS in July or August. Its up to you to get out there and find new treasures—have adventures that you can enthrall us with on September 19th. If the Yakima show does happen I will get the word out to you somehow.

SHORT THOUGHTS FROM THE EDITOR:

As Secretary, Bill Adams, says;we really need some new club members on our show committee...Shirley Sparrow says she may have to step down as treasurer. Please ask her to stay on! She is the only one that knows where our money is....I hear that the June 8th show in Eugene was lightly attended. Too bad! Better luck next time!... Bill Kimber will give a report on spending our money and Carl Muller will give a report on how to save it. Two good reasons for attending the June meeting...How did you like the door prize idea? Let Dave know...Should PSPCS produce an out of area show (Eastern Wash. the coast) during the summer?...How about a small club sponsored show in the fall just for collector's;no user gear?

REMEMBER HOW TO GET TO OUR NEW MEETING HALL?

Take Des Moines exit from I-5...head west across Pac. Hwy So.... turn right on 24th So. (at first traffic light after Pac. Hwy So.)... go north on 24th So. to So. 223rd...turn left, Masonic temple on right.
